The *American Association of Wine Economists* AAWE offers

3 Scholarships for Research Papers in Wine Economics

**Each Scholarship provides US\$1,000 and grants Free Admission to the
15th Annual AAWE Conference in
Stellenbosch, South Africa (June 28-July 2, 2023)**

We consider all wine topics related to economics, statistics, and business including submissions that overlap with adjacent fields such as psychology, neuroscience, history, linguistics, viticulture, or enology.

Eligibility and Submission: The objective of the scholarships is to foster high quality research in wine economics. The awards are aimed at economists in their early carrier stages including, but not limited to, graduate students and assistant professors. There is no age limit. **In order to be eligible for a scholarship application, we require that you are a current AAWE member (join for \$79/year).**

Submit a 2,000-word outline and your CV by March 12, 2023, to

aawe@wine-economics.org

Funded Projects will be selected by March 30, 2023. Selected projects must be completed by June 20, 2023, and be presented at the Annual AAWE Conference in Stellenbosch (June 28-July 2, 2023). Subsequent submission to the *Journal of Wine Economics* is encouraged.
